### **Oct 3rd 2 Man Scramble. EC Resort Course**

- Each team receives 35% of the A player's handicap plus 15% of the B player's handicap. One score is recorded for each hole.
- Both players hit tee balls on each hole. The preferred tee ball position (you chose) is played by both players on the next shot. Subsequent shots are played in the same manner while non preferred shots are picked up on each hole.
- Preferred lies OK (one club length; same type turf).
- Each team member must record a minimum of 6 tee balls.
