Eagle Crest Ridge Pro Shop

Limited Space / Entries Available on 1st Come Basis

Eagle Crest Men's & Women's Clubs

Golf Mixer

1. All team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.
2. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot. You may clean and place.
3. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away. You must place at "like" surfaces.
4. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also.
5. Putts need to be attempted within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count. The team is cautioned not to make "tap" in putts until all team members have had the opportunity to attempt the team's original putt.
6. Each player's tee shot must be used a minimum of 2 times during the 18 hole round.
7. The team score is record as one score for the team but not a combination of all team players' scores.
