Hello All,

Make sure you stick around the practice green tomorrow before our round starts to hear any last-minute announcements before the start of play. The latest news is hole #18 will be closed tomorrow for the installation of new power polls and hole #9 might be affected also. If a hole is significantly affected by this work, we will skip the hole. Also note your assigned tee you will be playing tomorrow. To ensure a fair competition we may have moved you up or back a set of tees to balance your 4-ball match.

The weather forecast for tomorrow looks like the wind will die down and the temps should rise to the mid to high 60's tomorrow. Again, after we have logged all the scores tomorrow, our team captains will select the pairings for next week singles matches so stick around and see who you will play against next week,

See you tomorrow for an 8:50am announcement before we start play,

Eric

Hello All,

It was a very windy day, but the Blue Bombers team didn't seem to be affected by it for they lead the 3rd annual Eagle Crest Cup by a score of 7-4. It was a great turnout in the Greenside Cafe after the round as we had a full room to watch the scores coming in and the captains of the two teams set the matches for tomorrows 4-ball round on the Resort course.

Eric
