

**Need your help**

**We are in the process of planning the Fall Classic Golf Tournament scheduled for September 30<sup>th</sup>, October 1<sup>st</sup>, and October 2<sup>nd</sup>. Our committee is considering windbreaker jackets for the players. We will be short on time to get all the sizes in time to place the order as our registration will close a week before the event.**

**Please provide us your jacket size by responding to this memo by August 15th. This is not a commitment to play in the event but, it will provide us with some sense of sizes.**

**Thanks,**
