

ECMGC Has a Website ?

- Yes, since 2019 – although at times it wasn't maintained. That's changing now.
- **Who actually uses the website?**
- Some existing as well as prospective members. Most don't know how to access it on their computer or smart phone. We're fixing that now.
- **Who needs it? I get what I need thru email, bulletin boards, lunches and word-of-mouth.**
- ECMGC communicates with its membership using a variety of means besides email. The website provides 24x7 access to important, club-related information not necessarily available via email. And emails get deleted.
- **How much does it cost to run?**
- Domain registration & security – \$35 / year; 36 months of hosting – \$360 – expires 3/30/2026
- **But I'm not good with computers.**
- Most of us are novices. However, if you can get to email on your computer or phone – accessing the website is easy.
- **Do I need to log in? Will I get a computer virus?**
- No. Any internet user can access the ECMGC website. The club's administrative personnel have their contact information published, but no one else. ading is minimal and safe.
- **How do I access the Website?** Next slide

Menu

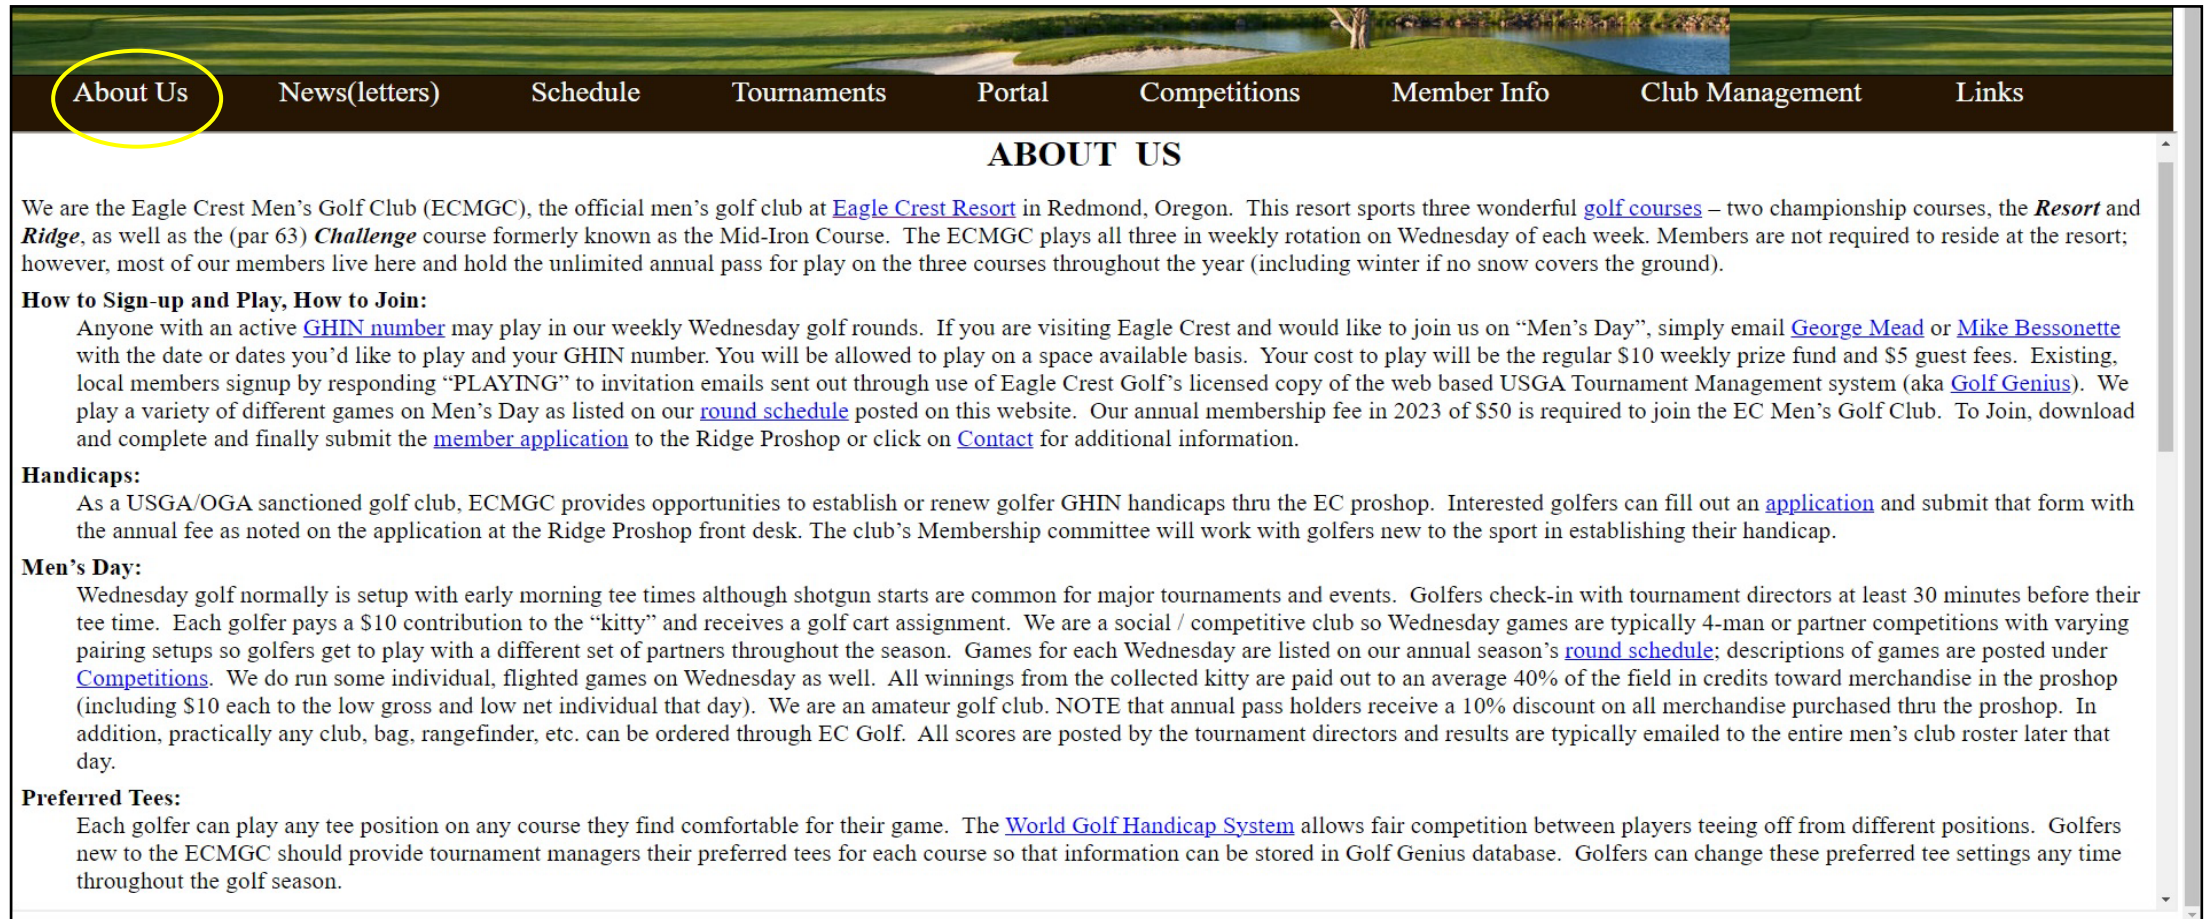

Display Area

The screenshot shows the website for the Eagle Crest Men's Club. At the top is a header with the date "Sun Apr 16 2023" and navigation links for "Mission Statement", "How To Join", and "Contact". Below the header is a large banner image of a golf course with the text "Eagle Crest Men's Club" overlaid in yellow. A dark menu bar contains the following items: "About Us", "News(letters)", "Schedule" (circled in yellow with a yellow arrow pointing to the table below), "Tournaments", "Portal", "Competitions", "Member Info", "Club Management", and "Links".

The main content area is a table titled "2023 Eagle Crest Men's Golf Club Weekly & Tournament Schedule (updated April 14th)". A link for "Printable Copy" is located to the right of the title. The table has columns for Date, Time, No. Grps, Course, Comments, Game (Subject to Change), Post, and then repeats these columns for a second set of dates. The "Schedule" menu item is circled in yellow, and a yellow arrow points from it to the table.

About Us: a section primarily written for new residents or locals interested in joining our men's club. However,

The screenshot shows a website navigation menu with the following items: About Us (circled in yellow), News(letters), Schedule, Tournaments, Portal, Competitions, Member Info, Club Management, and Links. Below the menu is the 'ABOUT US' section, which contains the following text:

We are the Eagle Crest Men's Golf Club (ECMGC), the official men's golf club at [Eagle Crest Resort](#) in Redmond, Oregon. This resort sports three wonderful [golf courses](#) – two championship courses, the *Resort* and *Ridge*, as well as the (par 63) *Challenge* course formerly known as the Mid-Iron Course. The ECMGC plays all three in weekly rotation on Wednesday of each week. Members are not required to reside at the resort; however, most of our members live here and hold the unlimited annual pass for play on the three courses throughout the year (including winter if no snow covers the ground).

How to Sign-up and Play, How to Join:
Anyone with an active [GHIN number](#) may play in our weekly Wednesday golf rounds. If you are visiting Eagle Crest and would like to join us on "Men's Day", simply email [George Mead](#) or [Mike Bessonette](#) with the date or dates you'd like to play and your GHIN number. You will be allowed to play on a space available basis. Your cost to play will be the regular \$10 weekly prize fund and \$5 guest fees. Existing, local members sign up by responding "PLAYING" to invitation emails sent out through use of Eagle Crest Golf's licensed copy of the web based USGA Tournament Management system (aka [Golf Genius](#)). We play a variety of different games on Men's Day as listed on our [round schedule](#) posted on this website. Our annual membership fee in 2023 of \$50 is required to join the EC Men's Golf Club. To Join, download and complete and finally submit the [member application](#) to the Ridge Proshop or click on [Contact](#) for additional information.

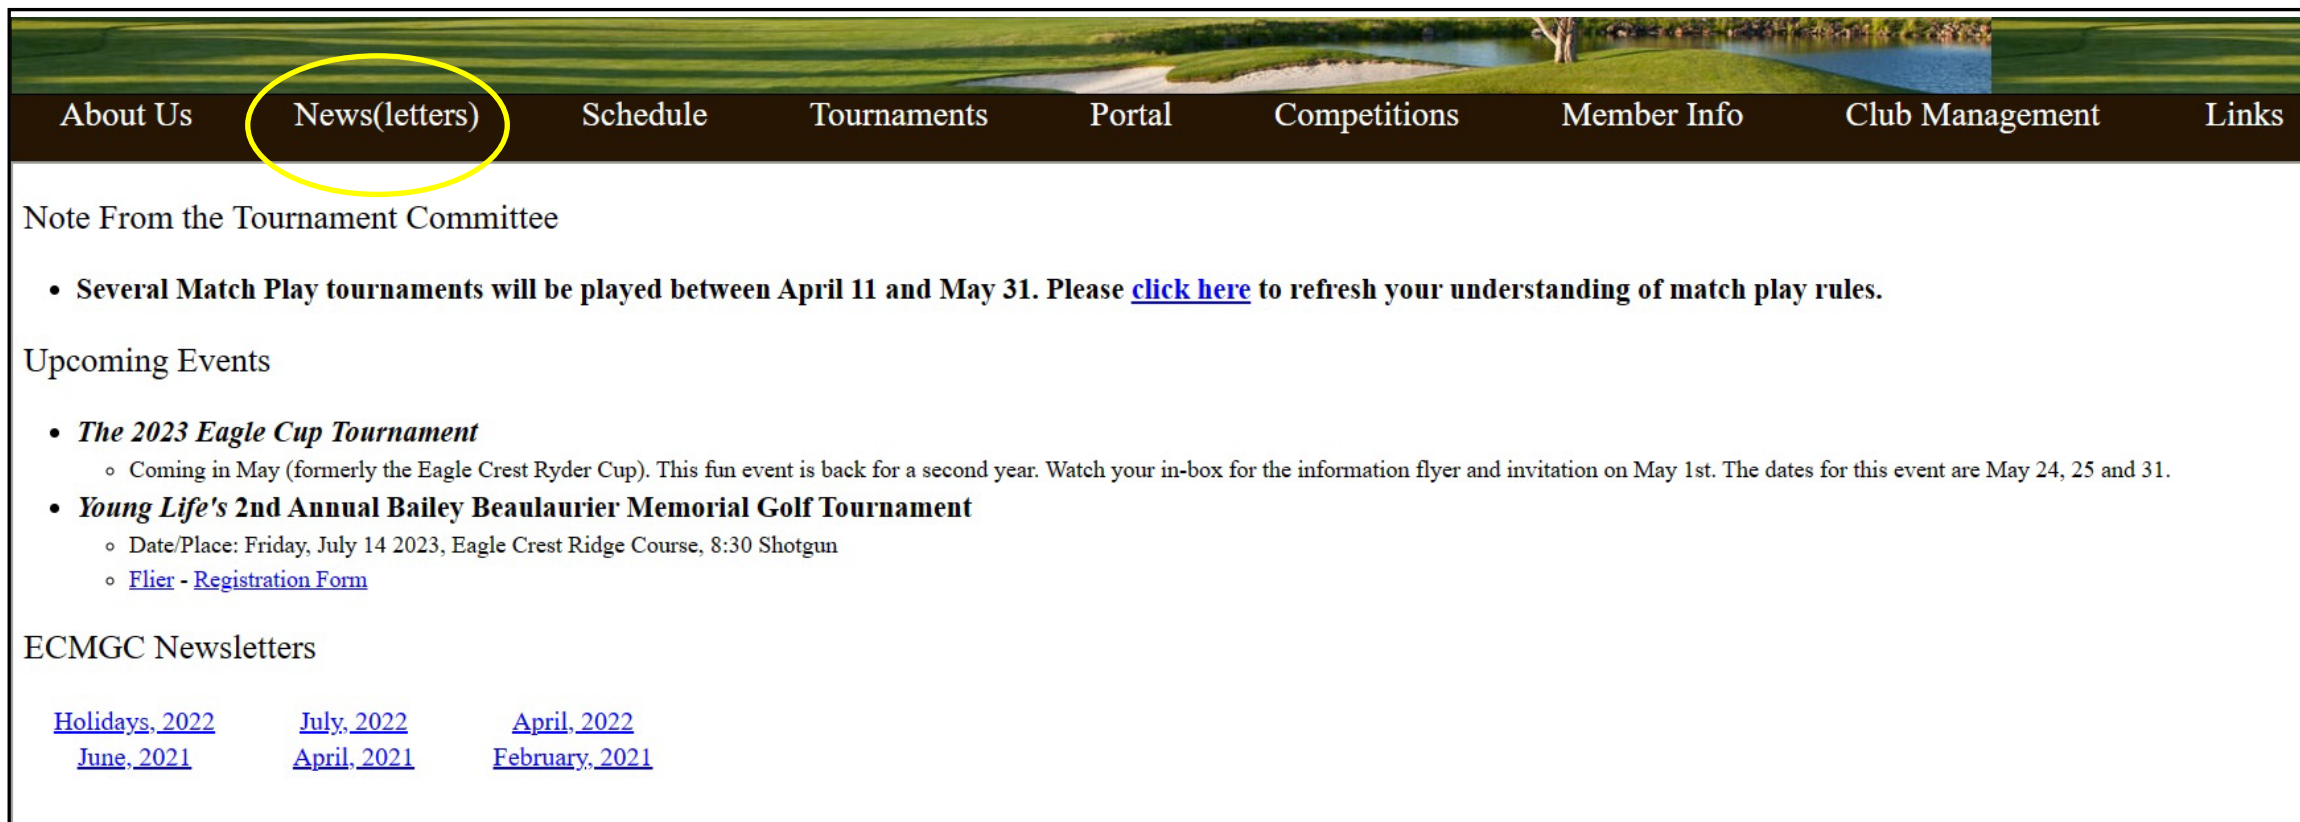

Handicaps:
As a USGA/OGA sanctioned golf club, ECMGC provides opportunities to establish or renew golfer GHIN handicaps thru the EC proshop. Interested golfers can fill out an [application](#) and submit that form with the annual fee as noted on the application at the Ridge Proshop front desk. The club's Membership committee will work with golfers new to the sport in establishing their handicap.

Men's Day:
Wednesday golf normally is setup with early morning tee times although shotgun starts are common for major tournaments and events. Golfers check-in with tournament directors at least 30 minutes before their tee time. Each golfer pays a \$10 contribution to the "kitty" and receives a golf cart assignment. We are a social / competitive club so Wednesday games are typically 4-man or partner competitions with varying pairing setups so golfers get to play with a different set of partners throughout the season. Games for each Wednesday are listed on our annual season's [round schedule](#); descriptions of games are posted under [Competitions](#). We do run some individual, flighted games on Wednesday as well. All winnings from the collected kitty are paid out to an average 40% of the field in credits toward merchandise in the proshop (including \$10 each to the low gross and low net individual that day). We are an amateur golf club. NOTE that annual pass holders receive a 10% discount on all merchandise purchased thru the proshop. In addition, practically any club, bag, rangefinder, etc. can be ordered through EC Golf. All scores are posted by the tournament directors and results are typically emailed to the entire men's club roster later that day.

Preferred Tees:
Each golfer can play any tee position on any course they find comfortable for their game. The [World Golf Handicap System](#) allows fair competition between players teeing off from different positions. Golfers new to the ECMGC should provide tournament managers their preferred tees for each course so that information can be stored in Golf Genius database. Golfers can change these preferred tee settings any time throughout the golf season.

- ... this section includes links to the current year's club registration and handicap application forms.
- It includes many links for further information about subjects like the Resort Cup, our Major Tournaments, Hole-In-One Insurance, other golf groups at Eagle Crest like the West Ridge men's club, High Desert Seniors and Mark Haskin's Monday B&S group.
- **AS A Rule:** navigating to links here and anywhere in the display area shows the linked content in an entirely new window

News(letters): click here to view the latest club or related events, notices, announcements ...

The screenshot shows a website navigation menu with a dark background and white text. The menu items are: About Us, News(letters), Schedule, Tournaments, Portal, Competitions, Member Info, Club Management, and Links. The 'News(letters)' item is circled in yellow. Below the menu, the page content includes a section titled 'Note From the Tournament Committee' with a bullet point about match play tournaments. This is followed by an 'Upcoming Events' section with two main items: 'The 2023 Eagle Cup Tournament' and 'Young Life's 2nd Annual Bailey Beaulaurier Memorial Golf Tournament', each with sub-points. Finally, there is an 'ECMGC Newsletters' section with several links to archived newsletters from 2021 and 2022.

Click [here](#) to view the tournament flier.
 Click [here](#) for the latest tournament information

- The 2023 Eagle Crest Cup tournament link will soon include the flier and a growing list of player signups, ultimately split into two equally matched teams.

- This webpage, which can and will be updated every day or every few days, not only lists golfers signed up to compete in the 2023 Match Play tournament, but also where they stand based on their existing handicap index.
- Later it can be used to indicate golfers whose entry fee has been collected.

Competitions: provides a list of games played on Men's Day, how each is labelled and played. Also describes our Major Tournaments & H&H's

Eagle Crest Men's Club

[About Us](#)[News\(letters\)](#)[Schedule](#)[Tournaments](#)[Portal](#)[Competitions](#)[Member Info](#)[Club Management](#)[Links](#)

Wednesday Games

- **Game Names** shown on our annual tournament schedules and scorecards follow the form "COURSE: # players — game description" where COURSE usually is one of RIDGE, RESORT or CHALLENGE. For example:
 - "RESORT: 4-Man — 1-2-3, 1-2-3, ... NBB"
- **# players** can be 2-Man, 4-Man or Individual. On Golf Genius scorecards distributed to players during check-in, all players on single card form a team in a 4-Man game. In a 2-Man game, the top two names on a card are partners while players in the 3 and 4 row form a 2nd team. Occasionally scorecards will be generated that list score boxes for one set of partners while boxes for the other team in the foursome are scored in "marker notes". Individual games typically list four players on a scorecard — each competing against every other golfer in the round or in a flight of golfers. Occasionally in singles championship rounds, scorecards will be issued with one player per scorecard and marker notes for the golf riding in the cart.
- **Abbreviations**
 - LN — Low Net
 - LG — Low Gross
 - NBB — Net Best Ball (per hole)
 - Number sequences like "1-2-3, 1-2-3, ..." or "1-2, 1-2 ..." define the number of player scores to be counted in sequence starting with the first hole on the golf course — for 1-2, 1-2 ... one player's score counts on hole #1, two balls on #2, one again on #3, 2 on hole 4, etc.
- **ABCD or AB** refers to four or two man teams where each letter identifies names on the scorecard typically listed in order from the first row down based on handicap index, "A" being the lowest handicap golfer.
- **Flights** are subgroups of golfers typically formed based on handicap index or preferred tees to maximize competitiveness in individual or 2-man games. Game names that have flights include the word "(flighted)".
- **Stableford Scoring** is used in lieu of standard scoring to speed play and/or allow golfers that blow up on a hole to stay in a game. Gross scores are still recorded on the scorecard but the Golf Genius system (when hole-by-hole scores are input for all golfers in a round) will compute points awarded as follows (Net or Gross):
 - One point for bogey, 2 for par, 3 for birdsie, 4 for eagle, 5 for albatross. This is USGA "standard" stableford scoring. Our games that use this scoring system will have the word "(stableford)" in the game name.
- **Scramble** is a game format for 2-Man or 4-Man teams whereby all players tee off and for each shot afterwards into the hole, pick the best ball or putt and all hit the ball from the selected position. In variations like Texas or Florida scramble, all players tee off but the owner of the ball selected does not participate on that stroke. Normally all players need to provide some predetermined number of tee shots — we require 3 drives per person on 4-man teams, 6 per player in 2-man scrambles. Handicaps are assigned teams based on:
 - 4-Man teams: sum of 25%, 20%, 15% and 10% of the A, B, C and D player's course handicap, respectively.
 - 2-Man: 35% A-player plus 15% B-player's course handicap.
- **Alternate Shot** is a 2-Man game where partners play one ball and alternate hitting each shot from tee to finishing every hole. We normally require the A player to tee off on odd numbered holes and the B player the same on even holes. Thus it doesn't matter which player makes the final putt in determining who tees off on the next hole. Each player contributes 50% of the team's handicap.
- **Chapman** is similar to Alternate shot except both players tee off every hole, then hit their partners ball on the 2nd shot. The partners pick the best ball for the third shot and then alternate starting with partner of the golfer hitting that 2nd shot. Team handicap is determined by the sum of 60% of the A player's and 40% of the B player's course handicaps. In both Chapman and Alternate Shot competitions, penalty strokes don't affect the order of play.
- **Bonus Birdie** or simply "BONUS" in NBB games means that you may include in hole scoring additional balls beyond what's required that are under par. This means that foursomes keep score each hole relative to par rather than combine the net scores of the counted balls. For example, in a 2 NBB game, if all players post a net birdie on a hole, the score for the hole would be -4.
- **Red Dot (aka Pink Ball or Lone Ranger)** builds on a 1 NBB or 2NBB game by adding another ball to be counted each hole as follows: the A-player's ball must count on hole #1, B-player on hole #2, C-player on #3, D on #4, A again on #5 and so on.
- **Red-White-Blue**, typically played on the Challenge Course around the 4th of July is a 4-man competition whereby groups tee off all three sets of tees counting 3 NBB playing the Red Tees, 2 NBB off the Whites, and 1 NBB teeing off the Blues.
- **Taxing Golf** is another Challenge Course game played in April around tax day. Only allowed clubs with lofts greater than 18 degrees. 4-Man teams play 2 NBB against one another.

- **2 Clubs + Putter** is a three club game played on the Challenge and typically also follows a 4-Man 2 NBB format but could be changed to use practically any other format.
- **Four Corners** are holes #1, 9, 10, 18. Foursomes play 2 NBB except on these four holes where they count 3 NBB.
- **Daytona** is a 2-Man game where partners hole out, then look at their scores. If they score the same, they combine those digits together for their score. For example, if partners each make a net 4, their score is 44 for the hole. If the scores differ, then par is the guide. If one or more partners get a net par or better, then the lowest number goes first. Say your team goes net birdie and net par on a par 3. Then your score is 23. But if neither team member makes a net par, then the higher number goes first. A net double bogey and net bogey on a par 5 would mean 76 points. Points are summed over the 18 holes for each team. The total lowest number wins. The highest net score allowed on a hole is 9.
- **1 LG (AB) + 1 LN (CD)** is a 4-Man game where two balls are counted each hole. One GROSS scored ball must be supplied by one of the top two players on the scorecard (A or B), and the 2nd NET ball is supplied by either the C or D player.
- **666** — This label is used as a name for any number of games. However, it commonly refers to playing holes 1 thru 6, 7 thru 12 and 13 thru 19 differently. Here are three examples:
 - **4-Man \$\$\$ (i.e. dollar-dollar-dollar)**: a (very) low stakes cash game played by numerous groups at Eagle Crest whereby players partner up with each other for six holes. The competitors' two low balls and two high balls are compared for points - one point each. Each game runs for six holes or whenever one pair mathematically eliminates another. Tied games can be played off near the end of the round if holes remain.
 - **4-Man — 1 LN 1-6, 2 LN 7-12, 3 LN 13-18**
 - **2-Man — Scramble 1-6, Chapman 7-12, Best Ball 13-18**
 - **Individual Low Net/Gross** — often flighted, players compete against one another for best score over each six holes.
 - **One Day RyderCup** — is implemented by us by splitting an 18 hole round into 6-hole matches each of 2-Man Best Ball (four ball), Alternate shot (foursomes) and then single matches between the A and C players as well as the B and D players. Each match is worth 1 point. The field is split into two teams; the team with the most points earns \$\$ (from the other team) in proshop credits

IDEAS for Men's Day games we might play? [Contact Us!](#)

RESORT CUP - The club competes in a monthly flighted, stableford game with other men's clubs. [Click here](#) for details.

Major Tournaments

- The Eagle Crest Men's Golf Club runs four tournaments each summer, three are for [Members](#) only. Each has at least three rounds held over three, not necessarily consecutive days.

The Eagle Crest Cup

- We run this tournament late May or early June following a RyderCup-type format. The first round, alternate shot (i.e. 2-Ball) normally takes place Men's Day on the Resort Course with 4-Ball matches played the next day on the Challenge. Singles matches are held the following week on the Ridge Course.
- The field of signups is evenly divided based on handicap index forming two, equally matched teams. Each is assigned one of two Eagle Crest Golf professionals as captains and a vice captain from that team.
- Before each round, captains and vice captains meet to fill out the pairings sheet. Team captains alternate picking first in assigning partners or single golfers to a pairing group. Captains pick opposing golfers to produce competitive matches.
- USGA Match Play Rules apply.
- Handicaps are updated daily before each match.
- Individual scores are posted for rounds 2 and 3 as "Regular" scores with unfinished holes assigned scores per USGA handicap rules.
- A team lunch is provided after round 3.

Match Play

- We run this tournament in August or early September. Like Ryder Cup, days played are Wednesday, Thursday and the following Wednesday on the Resort, Challenge and Ridge courses, respectively.
- The tournament's first two rounds are played on back-to-back Men's Days, setup with tee times rather than shotgun starts. Round 3 matches and after are scheduled on off-days agreeable to both opponents as well as piggy-backed on subsequent, regular Men's Day games, as necessary.

- During the signup period, entry numbers are successively capped at multiples of 8 to minimize byes and produce full 8 or 16-man brackets. Player handicap indexes on the signup deadline are used to partition the rosters into flights and seeded brackets.
- All match play rounds take place on either the Resort or Ridge golf courses.
- All players in a bracket play from the same set of tees. Exception: golfers who prefer playing from the Red Tees (typically with handicap indexes 30 and above) play Red.
- Gross flight winners are awarded a Match Play Champion traveling trophy with an affixed plate recording their name and year of their victory.
- All matches tied after 18 holes require opponents to replay hole #18 until a winner is declared.
- USGA Match Play Rules apply.
- Handicaps are updated daily before each match.
- Match scores are posted as regular rounds with unfinished holes assigned net par scores per USGA handicap rules.

Club Championship

- We run this tournament mid summer - the days played will vary per schedule on the Resort, Challenge and Ridge courses, respectively.
- The tournament is flighted into groups playing from the same set of tees depending on turnout - BLUE, COMBO B/W and WHITE. Flight winners will be those players achieving the lowest combined net scores over the three days of play. NOTE: COMBO B/W players will play the BLUE tees on the CHALLENGE Course.
- A player is crowned the Club Champion by shooting the lowest combined GROSS score over the three rounds. Only players competing from the BLUE tees all days are eligible to win this title.
- Four-man pairing groups will be set for the first round based on course handicap - lowest to highest. The 2nd and final round pairings will be based on tournament net standings in all flights except the low-handicap BLUE flight - that flight will use tournament gross scores to determine pairings.
- USGA Medal Play Rules apply.
- Handicaps are updated daily before each round.
- Scores from rounds played on the Resort and Ridge courses are posted as *Tournament Scores*. The Challenge Course round scores are posted as *Regular* scores.

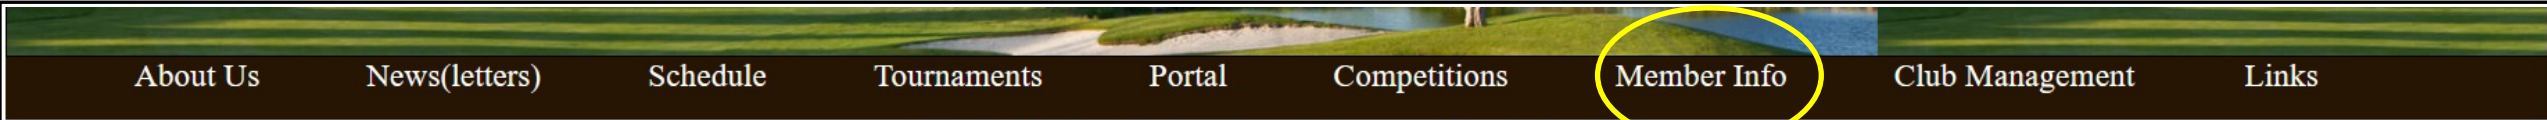

Fall Classic

- We run this tournament in October: Monday, Tuesday & Wednesday on the Resort, Challenge and Ridge courses, respectively. It is open to ECMGC members and non-members alike.
- Players are encouraged to pick their partner for the 2-Man games that comprise the tournament: Monday, Resort Course - scramble; Tuesday, Challenge Course - Chapman, Wednesday, Ridge Course - Best Ball; all net games.
- We run a flighted HORSESHOE competition afterward round 1 and putting contest after round 2.
- Daily honey pot games (e.g. skins, KP, low net/gross, etc.) as well as very nice hole-in-one prizes are offered.
- Partners need not play from the same tees or have handicap indexes arbitrarily close to one other but (especially in the case of tees), it's easier for us if partners are of similar abilities and playing from the same tees
- Number of flights will be based on variation in the field of partners, with a goal toward maximizing competition within a flight.
- An awards lunch is held at the Ridge Pavilion after Round 3 during which results are reported, cash winnings and raffle prizes are distributed.

Home & Homes

- H&H's with Juniper, Crooked River, and West Ridge Men's Golf are 2-Man Match Play competitions between clubs - one point for front, one for back & one for all 18 holes; one half point for tied matches.
- We are typically limited to 18 matches, 9 matches for A and 9 for B flights.
- Numbers visiting Crooked River and Juniper are limited to 36; however in the home version of those competitions, more than 36 players from Eagle Crest are allowed in. Golfers assigned to the matches are typically first come, first serve. Overflow home golfers are still allowed to play and compete in the local Eagle Crest Men's Day game which is "2-Man NBB" competition.
- No cash or credits are exchanged between clubs. Winning the overall competition yields bragging rights only or in the case of Crooked River, a traveling trophy. Any prize money collected stays with each club and is distributed based on the local games.
- The local game played among Eagle Crest golfers is based on match performance against the other club. The collected entry prize fund is prorated among those 2-man teams earning at least 1.5 points in their match.

* Preferred tee on Ridge (RG) : Resort (RS) : Challenge (C) Courses
 ** Indicates player has paid \$15 into the Hole-In-One (HIO) insurance fund

- With each member, a set of preferred tees (on all three golf courses), a preference for walking or riding in carts as well as his inclusion in the club's hole-in-one insurance program (Yes/No) are displayed.
- Contact and other personal information are NOT displayed. To do so would require account setup and a secure login for each member. This can be done technically but for now, we've decided not to do it.
