Eagle Crest Men's Golf Club / Spring 2024

Greetings,

We are beginning another year of golf at Eagle Crest. The Board and committee members have been working during the winter to prepare for another busy year for our Club. The BOD has reviewed several key items for the year and approved the implementation of no "gimmie" putts. I know some of you think this is a little crazy but, we stated last year that we could give 12-inch putts, that became 18 inches and, in some cases, 3 feet. So, give an inch, take a mile, no more. This rule will help all of us in our tournaments. All of us should help to police this. This is in effect for Wednesday days play, what people do for their games on other days is up to you.

Our Golf Committee has completed the golf schedule for our year. The Golf Committee has scheduled our Wednesday games for competitive, fun games consisting of individual, 2-man teams and 4-man team events. The "fun "games or "goofy" as some of you would like to call them have been moved to the shoulder season. We tried hard to add another Home and Home this year but, as of this writing, no luck. I expect our Resort Cup team to bring home another trophy under the guidance of our captain, Greg Middlebrook. He might add a special diet to his successful rigorous training program. The Ladies mixer is coming up in May which is a lot of fun playing with our Women's Club members. Remember, if you sign up, you are agreeing

to a personal hygiene program and gentleman conduct on the course.

We have scheduled our Tournaments this year and assigned the Tournament Directors. I fully expect the Tournaments to be better than last year and that will be hard to beat. Our club is excelling in our Tournaments with several players from other clubs asking how they can play; the answer is to join our club. The Match Play tournament will have some nice enhancements for us this year. The EC Cup will continue to be a super fun, trash talking competitive event. The Club Championship has a new Director this year with Ron Shoquist leading the charge. The Fall Classic will have a few new twists this year and expect larger payouts.

I know I talk about this all the time but, please try and join us for as many of these events that your schedule will allow. I assure you; you will not be disappointed. Our club membership is solid with several new members. We typically get 40 to 50 members for our Wednesday play and of course I would like to see that number go higher. We are not limited to the number of players so come out and join us for a day of fun, competitive golf with old and new friends.

Our club is very generous, we have several charity events scheduled at Eagle Crest during the summer to include our own event, Gobble Gobble Give Back in November. Come out and support some very good charity organizations. con't

Reed Sloss, our Membership Chair has done an outstanding job with our website

and portal. Please take some time and look at the website, ALL our club information is there for everyone's review.

We will continue to work hard to make our club one of the best in central Oregon. If anyone has any ideas that could help our club, please submit those ideas to Curt Davis of the Advisory Committee so we can evaluate the possibility of implementation.

We have been meeting with the Eagle Crest Golf Staff to address Men's Club concerns and update the EC Golf status. The committee consists of Dave Miller, Mike Bessonette, Eric Erickson, Ron Burger, Kevin Story and me. We usually meet every 2 - 3 months. The agenda is established based upon known input from our Men's Club.

Stay well, hit them long and straight.

Roger Edgerly. President ECMGC

> Golf Committee News via Mike Bessonette

Almost four months into our 2024 season, our membership currently stands at 82 and growing. Last year's count peaked at 96 golfers. Starting last year ECMGC, with support from EC Golf, put together a tournament schedule allowing EC Silver Pass holders to participate in men's day rounds the first Wednesday of each month, March through November. Tee times on those days begin at 11:00 am. Normally, silver pass golfers are restricted to Sunday through Friday tee times starting after 12 noon. However, they are allowed to play with the men's club on these special Wednesdays as well as any Wednesday during the winter when all courses go to shotgun starts.

Only club members are allowed to play in three of the club's four major tournaments – Eagle Crest Cup, Match Play and Club Championship. Entry Fee provisions are set up for the Fall Classic allowing silver pass golfer participation. Like last year, our double-elimination Match Play tournament will be set up allowing ECMGC members holding a Silver EC annual pass to participate – the first two back-to-back rounds (June 19 and 20) have tee times starting at 11:00 am.

ECMGC Membership reminders:

The club's website

(*ecmensgolfclub.com*), updated almost daily, is tailored for prospective, new, and existing members alike. A presentation covering access to, and navigation of the website was emailed to every club member last year. For a copy of this presentation, contact me. All events for 2024 are published on the club's website under "schedule."

Any hole-in-one made by an insured member during a Men's Day event will pay for one beer, wine or pop for every Men's Day player who is also paid members of the fund. The hole in one insurance is a onetime fee of \$15.00 that continues year after year if we still have funds left.

- ECMGC membership registration forms are available on the tackboard outside the Ridge proshop adjacent to the Greenside Café. To sign up for membership, complete the form and drop it off at the proshop counter with a \$50 check made out to ECMGC.
- Our goal is to create an enjoyable golf atmosphere for all abilities and enhance the camaraderie among golfers during our regular Wednesday play and our different tournament formats. If you know anyone who would be interested in joining our club, please let us know.

Key Suggestions for Sandbaggers

- 1. Lodge a formal complaint: One of the initial suggestions is to file a formal complaint with the club and encourage others to do the same. The club needs to be aware of the issue and take appropriate action.
- 2. Change the format: Some users recommended that only rounds played at the club should be used for determining handicaps, effectively eliminating the sandbagger's excuse of playing poorly at other courses.
- **3.** Tournament scores (T scores): Clubs should use T scores for their events to

freeze a player's handicap more accurately based on their tournament performance.

- 4. Handicap committee intervention: The club's handicap committee should take a more active role in addressing this issue by examining the sandbagger's scoring history and adjusting their handicap accordingly.
- 5. Gather evidence and support: The Reddit user should gather evidence of the sandbagger's suspicious play and rally support from fellow club members to address the issue collectively.
- 6. Adopt club-specific rules Some clubs have implemented rules that disqualify players who consistently perform better than their handicaps, making it harder for sandbaggers to take advantage of the system.

A Guide to Making Money on the Golf Course the Easy Way

Now that we're almost four months into the year, our budget for 2024 is firming up. With membership dues on a projected 100 members, our annual stipend from Eagle Crest and some income from a few raffles, we're looking at income for the year of around \$9,000. Some smaller expenditures will include some custom ball markers for our victorious 2023 Resort Cup team, a travel stipend for our Club Champion, supplies, and snacks along the way. The primary expenditures will be in support of our major events for the year covering both food and prizes. We will subsidize the Eagle Crest Cup with \$1,500, for the Match Play \$300, for the Club Championship \$1,200, for the Fall Classic \$1,600 and for the end of the year Awards Luncheon \$3,000. Since the club does this, the majority of your entry fees for the various events come straight back in winnings. With total expenditures of \$10,000, we will draw down our cash reserves by \$1,000 (ending the year around \$3,400). This reserve. We have been drawing it down by about \$1,000 a year. Please let me know if you have any questions on the budget.
